## Year 3 Smoothie making - next week

Dear Year 3 Parents and Carers,

Next week, as part of our Science and Design Technology Curriculum, Year 3 children will be designing and making their own healthy fruit smoothies. In order to cover the costs of all the ingredients we are kindly asking for a small **donation of just £1**. This can be paid via the **School Gateway**.

Ingredients options will include: yoghurt, banana, pear, apple, blueberries, strawberries, raspberries, spinach, grapes, kiwi fruit and oranges.

For children with **known allergies** we will take steps to avoid any cross-contamination of ingredients. If your child has any allergies that we may not be aware of please let us know as soon as possible - either in person or via an email.

Finally, we would welcome any **extra hands on the afternoon of Wednesday 12th** February between 1pm and 3pm to help with making and washing up. If you can spare a couple of hours, please let us know as soon as possible.

Thank you, as always, for your support.

Kind regards

*Miss Warren, Miss Atkin and Mrs Webb*
