Year 3 Science / DT trip to Ladygrove Play Park

Dear Year 3 Parents and Carers,

As part of our Mighty Metals Project next term, we are planning a visit to the Ladygrove Play Park to deepen our understanding of forces such as gravity as well as how play park structures are built. The trip is timetabled for the afternoon of **Thursday 28th November 2024**.

To be within legal adult:child ratios, we will be relying on parent volunteers to ensure the visit can take place.

If you are able to accompany us on this trip, we would be hugely appreciative. Please either speak in person to the Year 3 teachers or send an email directly to the school office.

We will be leaving school at 1.05pm and will be back at school for the end of the school day.

Many thanks and kind regards.

Miss Warren Miss Atkin and Mrs Webb
