26th September 2024

Dear Parents – HELP!

As a Year 4 team, we would really value and appreciate any support that parents and/or other family members could offer, be it on occasional visits or at regular times during the school week. We know that the benefits from such support enhance the children's learning and experiences in many curriculum areas.

We are therefore asking for offers of help in the following capacities:

- Hearing individual children read for an hour one afternoon.
- Working with small groups of children during the morning until break (10.25) or after break (10.40am) until lunchtime (12noon) with English/Maths or during the afternoon session helping in a variety of curriculum areas.
- Helping within the year group with administration, e.g. filing, sticking/stapling children's work into their books, laminating, preparing resources etc.
- Helping on special occasions e.g. Bread Day, local trips e.g. to All Saints Church, Didcot Library etc.

If you feel you are able to offer some time on a regular basis or would like to offer help with a specific skill or curriculum area, please complete the google form <https://forms.gle/JDXz6LM68K82UHat6>, indicating the times of the week you are available and in which capacity you would feel most comfortable supporting.

If you have any questions, please do not hesitate to speak to one of the Yr4 class teachers.

Bread Day

As you can see, we will be making bread with the children on Thurs 10th Oct (subject to enough helpers!) Please could you let a member of the Yr4 team know if your child has any allergies to bread ingredients that we should be aware of. We have a list of children who have allergies but if this has changed or you think this activity will be a health risk to your child, let us know ASAP please.

With best wishes,

The Year 4 Team

'Together we Aspire, Believe, Explore, Achieve'
