

Highlights this week

What a wonderful end to term with musical performances, easter celebrations and cake!

As I write this, I am already looking forward to next term and the summer months ahead. We will begin next term, with a burst of creativity during our whole-school Art Day: a fantastic opportunity for our budding artists to shine and showcase their talents.

As the term draws to a close, I am reminded once again of our incredible school community and the power we have *together* to make All Saints such a buzzing, exciting place to be. Ofsted remains on the horizon and we are working hard to ensure we can showcase the essence of All Saints when they arrive; an opportunity that we welcome.

Thank you to everyone (staff, governors, RET colleagues and families) for your continued support for our school and for me personally as I move through my first year of headship.

I would like to wish everyone a peaceful Easter.

RET Year 5 and 6 Orchestra Workshop

A very big well done to our Year 5/6 instrumentalists who took part in a workshop with other RET schools on Monday morning, learning a short piece of music from the William Tell Overture. In the afternoon, we performed this to our Year 4s, who also enjoyed listening to other pieces played by the RET orchestra. On Tuesday evening, the children returned to DGS and performed in the RET Spring Concert to family and friends. We were really impressed with the way the children conducted themselves over the 2 days and it was a real pleasure listening and seeing them perform with the older children, many of whom were previously All Saints children.

Well done to everyone involved and huge thank you to Mrs Agg and Mrs Scrivener for coordinating this event.

Easter Service

On Tuesday, we held a school Easter service and Rachel Ciampoli (Minister of The Ladygrove Church) joined us. It was a lovely way to celebrate this hopeful time of the year and to rejoice in song together.

Year 3 Cake Sale

Thank you to everyone who donated cakes. We have raised £93.84 so far which will go directly to supporting our Year 3 learning opportunities. They will be continuing to sell cakes after school today in the gazebo. Taking on board feedback and discussion at the previous parent forum, we re-organised our cake sale this time. We welcome feedback on how this went.

Year 3 Palm Sunday Service

This Wednesday, Year 3 walked up to All Saints Church to take part in a Palm Sunday service led by Revd Rachel Ciampoli. The children engaged really well with the service and sang the songs with great gusto. Well done to the children who so confidently led us in prayer and read the Bible reading.

Thank you to the parents who were able to join us at church and also to all our wonderful helpers who helped keep us safe on our walk to and from school.

Plant request

Miss Warren and the Green Team would really like to plant up some of the veg beds over the summer term. If you have green fingers and are planting seeds over the Easter holidays we'd be very grateful if you can plant a few extras to donate to school. After the holidays we will gratefully receive donations of any of the following (small plants not seeds): climbing beans, tomatoes, courgettes and squash, strawberry plants, rocket, cucumbers, chillies and peppers

We'd also love a few flowering annual plants if you have anything spare. Please bring any donations to the school reception. Thank you.
